

CRYOVAC®

Resealable Freezer Bags

Commercial Packs

For decades, professionals have depended on Cryovac® brand food storage technology and commercial-grade durability. Now, Cryovac offers two sizes of resealable freezer storage bags that have been designed with innovative features and tested in the most rugged, high-volume food service environments.

Features and Benefits

- Kosher certified
- Made in the USA
- Prevents freezer burn and food waste
- Write-on label for easy identification and date coding
- Film strength stands up to rough handling conditions
- Innovative double-zipper technology makes resealing easy
- Ultrasonically welded top corners minimize ripped side seams and leaks
- Bulk food service packs for self-dispensing convenience and bottom-line value
- Available in 250 count one gallon freezer bags and 500 count one quart freezer bags

Cryovac® Brand

Resealable Freezer Bags - Commercial Packs

Use Directions

Caution:

For use in the microwave, open bag one inch to vent. Place bag on a microwave-safe dish. Handle with care. Bag and contents may be hot. Do not overheat contents beyond temperature of 180°F / 82°C for 3 minutes as bag may melt.

Warning:

To avoid danger of suffocation, keep bags away from babies and young children. The thin film may cling to nose and mouth and prevent breathing.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
