TASKI® ergodisc® 175 and 200

TASKI® ergodisc® Low-speed 20 in. (51 cm) and 17 in. (43 cm) disc machine

The TASKI ergodisc 175 and 200 machines are low-speed 20 in. (51 cm) and 17 in. (43 cm) respectively single-disc machines offering quiet, comfortable cleaning and are adaptable to a variety of cleaning tasks.

Features & Benefits

- Training and operation are simple and easy with the machines' soft start characteristics and anatomically formed grip
- Low noise and vibration levels keep daily operation interruptions to a minimum allowing for daytime cleaning
- The special design of the machine makes it easy to attach accessories, transport and store; no additional tools are required saving time in-use and after use
- The design of the machine provides maximum safety; operator hands are protected due to the closed handles of the machine and double insulation and a double safety lock ensure high levels of electrical safety

Applications

- The TASKI ergodisc 175 and 200 are especially suited for wet scrubbing, stripping, buffing, spray cleaning, shampooing and wood treatments
- Can be used, with the addition of the TASKI foam generator and appropriate accessories, as a dry foam carpet care system
