

Soft Care Sentry™

Foaming Antibacterial Hand Soap

Soft Care Sentry™ is a fast-acting, foaming disinfectant hand wash with superior mildness. The unique formula gently cleanses the skin while killing germs that cause infection. Formulated with Benzalkonium Chloride, Soft Care Sentry™ removes soil from hands without the loss of disinfecting performance. Rinses quickly, leaving no residue on skin. Soft Care Sentry™ is the perfect hand wash for food handling establishments and healthcare facilities.

Features & Benefits

- Quick and effective antibacterial formula helps reduce cross-contamination
- NSF E2 registered for use in food handling establishments
- Rubs easily onto hands and leaves no sticky residue
- Mild on skin, avoiding excessive cracking and dryness for even the most frequent users
- Dye-Free and Fragrance-Free
- Luxurious foaming application

Applications

- Excellent choice when frequent hand washing with an antibacterial agent is required.
